**PRESIDENTS MESSAGE**

Our Sunday school is in full swing and I think it is proving to be a valuable living and learning experience for both the students and the teachers. Where there is life there is hope and there is plenty of life now at Shaaray Tefila on Sunday mornings.

Our new prayer books are arriving for a trial period. Please take some time to acquaint yourselves with them and give us your opinion on whether they will meet our needs in a better or different way than our current Sim Shalom books.

We are planning a Havurat Shabbat Friday night service in mid-January. If you remember from last year, this was a short Friday night service and Shabbat dinner, designed and led by congregants. We had a nice turnout last year and attendees found it to be an enjoyable and meaningful experience. Please watch synagogue announcements or our Facebook page for details.

Several months ago, Laurie Moore created a new format for our website. We are now in the process of rewriting our website text. For many newcomers, our website is their first encounter with Shaaray Tefila. We want to welcome them with open hearts and open minds, both in our physical building and on our website. You should start seeing a change over the next month or so. Your feedback is always welcome.

We hit winter with a bang this year. With the cold snowy weather, many of our older or disabled members are finding it difficult to make it to shul. Please reach out to people who may have

difficulty with transportation by offering a ride and a hand. Your presence at services is always appreciated but even more so at this time of year when we can't rely on our snowbirds to make our minyans.

Cher and I would like to wish all of you a joyous Chanukah season.

Mark Hoffman, President

Beginning in January, we will be changing our Bingo night to Wednesdays to see if the crowds pick up. In the past several months we have lost several of our regular volunteers. Two have moved

away--Aleta Fisher and Diane Beale. Arnold Mandwelle is taking several months off. Sam and Roberta Gottesman will need to be replaced every other Bingo night. Diane and Arnold Alkes who work every week will be going to Florida for 3 months. Dan Korot is not available on Wednesdays. Currently, I am looking to fill 8 positions every four weeks. If you currently work one night a month, can you do two? If you have been thinking about helping, now is the time.

I am preparing a one month work schedule for January. If we don't get more members willing to commit one or two nights a week stepping forward in the next four weeks, I will be forced to recommend ceasing this most valuable fund raiser. It is now or never.

Larry Greenberg, Bingo Chairman
